

## Speed, quality, reliability and elegance. Perfect for your large workgroup

Super fast performance. High definition output. Outstanding reliability. The new C710 provides it all.

This is the perfect printer for the workgroup wanting quality colour or mono printing without effort, problems or delay. Print speeds of 30ppm colour and 32ppm mono will reduce waiting times and keep productivity high and with the award-winning single-pass digital LED technology, provides smooth, trouble-free operation. The C710 is easy to use, especially with the enhanced LCD display panel which keeps the user in complete control. Consumables are simple to change and with large capacity toners and paper trays, user intervention is kept to a minimum. The printer can handle a variety of media sizes, formats and weights, while a range of network utilities will protect data and prevent unauthorised use.

Speed, security and superior printing – the new C710 has it all.

Outstanding speed. Superior quality.

- High speed and high quality – the C710 offers both
- Excellent print speed of 30ppm colour/32ppm mono to maximise productivity
- High Definition Color technology ensures superior print results

Prints perfectly on a variety of media.

- Prints on a range of media from 64gsm up to 220gsm
- Handles banners up to 1.2m in length
- Duplex (optional on C710n) for double-sided printing

Built to keep work flowing.

- Award winning single-pass digital LED technology for smooth, trouble-free working
- High capacity toner cartridges – more printed pages, less user intervention

Protects data. Prevents excess use.

- Safeguard confidentiality and prevent unauthorised usage
- Easy to monitor and control printing costs
- Print Control imposes rules on how the printer is used
- Secure Erase protects documents from being accessed and re-printed by safely erasing files on the Hard Disk Drive
- Secure Print encrypts files sent via the network ensuring office critical information is kept confidential

Simple to work with.

- Printer is easy to use by any member of the workgroup
- Enhanced LCD display panel provides user-friendly clear instructions
- Simple easy-to-change consumables

● Standard ○ Optional (Order number)

<sup>1</sup> Check local OKI Printing Solutions website for latest driver releases & OS Compatibility. <sup>2</sup> Includes all consumables. <sup>3</sup> Hard Disk Drive required.

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OkI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life*(pages)	Order Numbers
Toners	10,000 mono/ colour	Cyan: 43866111 Magenta: 443866110 Yellow: 43866109 Black: 43866112
Image drum	20,000	Cyan: 43913811 Magenta: 43913810 Yellow: 43913812
	20,000	Black: 43913812
Transfer belt	60,000	43363413
Fuser unit	60,000	43854904

\*Toners: Printer shipped with 4,000 pages. Replacement toner life with values stated are in accordance with ISO/IEC 19798.

Actual replacement toner life can vary and is dependent on material printed. All Drums: A4 pages average life.

Specification subject to change without notice. All trademarks acknowledged.
