Why Rent?

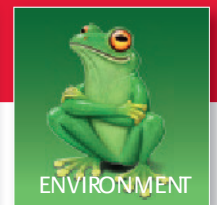

- No Capital Outlay required
- Rented Items may count as off balance sheet finance
- Budgeting becomes easier with fixed period payments which maybe tax deductible
- Easy upgrade path as your needs change
- Return the equipment at the end of the contract with no residual risk liability.

Power, Flexibility, Performance and Quality

Want to combine productivity with quality?

TASKalfa 250ci delivers a powerful 25ppm multifunctional system for all your colour and black imaging requirements, plus innovative scanning and sending features to boost workplace productivity.

All this combined with Kyocera's unique long life technology, exceptional product functionality and consistent colour quality, assures you are investing in a solution that meets your requirements.
